RE: MIKE YELLOW HORSE;

JOHN BOYSE (BOYCE)

Re memo of SA MICHAEL A. RIGNEY dated 8/28/75 (Serial H-20-73).

On 9/2/75, MARTY ROAN EAGLE was located at House 578, Oglala, South Dakota. ROAN EAGLE confirmed his arrest at Chadron, Nebraska, on 7/25/75, in possession of a cartridge, but denied knowledge of the type of cartridge or the type of weapon in which it is used. He said he found the cartridge on the road in front of his mother's house in rural Oglala, South Dakota.

ROAN EAGLE was further interviewed concerning RESMURS at which time he said he was at the residence of MAURICE YELLOW HORSE in Slim Buttes, South Dakota, on the day of the shooting and did not learn of the shooting until he traveled to Oglala, South Dakota, and saw jeeps and activity in the area. He said he was with MAURICE YELLOW HORSE on the day the Agents were murdered and added that MAURICE YELLOW HORSE is his cousin and is not known, by the name MIKE YELLOW HORSE. He said he knows of a person by the name of VERDELL (Phonetic) YELLOW HORSE, who resides on Red Shirt Table and who he thinks has a middle name of MIKE. He knows of no other MIKE YELLOW HORSE and does not know a MIKE ANDERSON. The names of JOHN BOYSE, DAVID MANY HORSES, DAVID HER MANY HORSES, AND DAVID MANY HORNS were not familiar to him.

He said the only information he has heard concerning the shooting incident was in a conversation he had with a LAWRENCE LONE WOLF, Oglala, South Dakota, wherein LONE WOLF told him that the Bureau Agents were in the area talking to a girl, and when the girl was unresponsive to the Agents, one of the Agents "backhanded" the girl and it was at this point that the shooting occurred. He felt LONE WOLF did not have firsthand knowledge of the incident, and recalls that LONE WOLF

Date of transcription September 7, 1975

At the JUMPING BULL compound, Oglala, South Dakota, Special Agents (SAs) ROBERT A. BUNCH and JAMES E. HUGGINS examined an abandoned 1960 white Chevrolet after attempting to locate someone at the above residence. The immediate area where the vehicle was located appeared abandoned and uninhabited despite the repeated attempts to contact someone at the compound.

The all white with blue interior Chevrolet was observed to be a four-door Bel Air model. The vehicle was not equipped with tires or wheels and there were no license plates presents. The left front door was open and the Vehicle Identification Number (VIN) located on a plate attached to the left front door post was observed to be 01619J279169. The odometer reading was 82,096.3.

The vehicle appeared to have been abandoned for some time in that weeds had grown under and around the vehicle and field mice were noted to have nested inside the vehicle.

The trunk contained a used tire. Although the trunk lid was locked the tire could be seen through the interior back of the vehicle.

Nothing of evidentiary value was observed.

DANIEL TITUS HANNIES interviewed at his place of employment, the DON FORNEY Ranch, located 25 miles south and 6 miles east of Rushville, Nebraska, by A. WADE SHIRLEY who identified himself as a Special Agent of the Federal Bureau of Investigation (FBI). It was explained that the purpose of the interview was to discuss the theft of a pickup and camper top from DANIEL BROKEN LEG. Special Agent SHIRLEY advised HANNIES of his rights and he signed a "waiver of rights" form. He then furnished the following information:

During the winter months of either January or February of 1975, the exact date not recalled, he stated he was staying with his brother, JULIUS TITUS, in Pine Ridge, South Dakota, when his grandfather, DANIEL BROKEN LEG, asked them if they would fix the clutch on his (BROKEN LEG's) 1968 Chevrolet pickup, which he stated had a camper top on it. They advised they would put in the clutch for \$15.00, and began to work on the vehicle. As they worked, BROKEN LEG was drinking wine and passed the bottle around to both him and JULIUS several times until all three of them were getting pretty drunk.

When the job was finished he asked BROKEN LEG if they could take the pickup for a drive to see if the clutch worked all right. BROKEN LEG gave them permission, and both he and JULIUS climbed in the vehicle and drove it around the block a few times. When they came back past JULIUS' house, BROKEN LEG was not outside, so they decided to drive the pickup to Whiteclay, Nebraska, to get some beer.

After returning to Pine Ridge from Whiteclay, he dropped JULIUS off at his house and then he drove the pickup around town. He advised he was drunk and did not recall all that he did, but advised he did recall needing some money and taking the pickup to the BUD MERRILL Ranch, about seven

The next day after all the money was spent, and when he had sobered up, he advised he took the pickup back near BROKEN LEG'S house and left it up the road a short distance with the keys in the ash tray.

He advised he was very sorry for what he had done and advised he would be happy to pay BROKEN LEG for any damage done, to the camper or for the cost of getting it back from MERRILL. He stated he was not aware of the fact that anything was wrong as' lie had seen the pickup with the camper at the BROKEN LEG'S residence a few months ago, and had not heard from anyone that BROKEN LEG had filed a complaint.

The number and letter code following the inventory number relates to that particular purchase. The first number gives the number of boxes of ammunition purchased. The letter following is a pricing series, A is highest, B is mid range, C is lowest. The next number gives the month of purchase (1/12). The next letter gives the year, in this case the letter N is 1974.

Coast-to-Coast National Headquarters, Minneapolis, Minnesota, has been contacted on numerous occasions regarding the search of all inventory receipts regarding these purchases and circular letters to all Coast-to-Coast Stores. It was decided that searching purchase records for a inventory number would be nearly impossible to do due to the volume of records maintained for any particular month. It was also their feeling that a circular letter mailed to store managers in their weekly mailings would possible be ignored or not even looked at by the store managers.

Coast-to-Coast stores maintain a copy of ammunition purchases for approximately one year.

All Resident Agents are requested to contact all Coast-to-Coast Stores within their territory in an attempt to identify the purchaser of the above ammunition.

The number and letter code following the inventory number relates to that particular purchase. The first number gives the number of boxes of ammunition purchased. The letter following is a pricing series, A is highest, B is mid range, C is lowest. The next number gives the month of purchase (1/12). The next letter gives the year, in this case the letter N is 1974.

Coast-to-Coast National Headquarters, Minneapolis, Minnesota, has been contacted on numerous occasions regarding the search of all inventory receipts regarding these purchases and circular letters to all Coast-to-Coast Stores. It was decided that searching purchase records for a inventory number would be nearly impossible to do due to the volume of records maintained for any particular month. It was also their feeling that a circular letter mailed to store managers in their weekly mailings would possible be ignored or not even looked at by the store managers.

Coast-to-Coast stores maintain a copy of ammunition purchases for approximately one year.

All Resident Agents are requested to contact all Coast-to-Coast Stores within their territory in an attempt to identify the purchaser of the above ammunition.

The number and letter code following the inventory number relates to that particular purchase. The first number gives the number of boxes of ammunition purchased. The letter following is a pricing series, A is highest, B is mid range, C is lowest. The next number gives the month of purchase (1/12). The next letter gives the year, in this case the letter N is 1974.

Coast-to-Coast National Headquarters, Minneapolis, Minnesota, has been contacted on numerous occasions regarding the search of all inventory receipts regarding these purchases and circular letters to all Coast-to-Coast Stores.

It was decided that searching purchase records for a inventory number would be nearly impossible to do due to the volume of records maintained for any particular month. It was also their feeling that a circular letter mailed to store managers in their weekly mailings would possible be ignored or not even looked at by the store managers.

Coast-to-Coast stores maintain a copy of ammunition purchases for approximately one year.

All Resident Agents are requested to contact all Coast-to-Coast Stores within their territory in an attempt to identify the purchaser of the above ammunition.

The number and letter code following the inventory number relates to that particular purchase. The first number gives the number of boxes of ammunition purchased. The letter following is a pricing series, A is highest, B is mid range, C is lowest. The next number gives the month of purchase (1/12). The next letter gives the year, in this case the letter N is 1974.

Coast-to-Coast National Headquarters, Minneapolis, Minnesota, has been contacted on numerous occasions regarding the search of all inventory receipts regarding these purchases and circular letters to all Coast-to-Coast Stores. It was decided that searching purchase records for a inventory number would be nearly impossible to do due to the volume of records maintained for any particular month. It was also their feeling that a circular letter mailed to store managers in their weekly mailings would possibly be ignored or not even looked at by the store managers.

Coast-to-Coast stores maintain a copy of ammunition purchases for approximately one year.

All Resident Agents are requested to contact all Coast-to-Coast Stores within their territory in an attempt to identify the purchaser of the above ammunition.

DATE: 9/13/75

FROM : SA DANIEL F. BODINE

SUBJECT: RESMURS

Pursuant to an attempt to execute an arrest warrant at the JOSEPH MASKY residence, Parmelee, South Dakota, the following individuals were located by SAs DANIEL F. BODINE, EUGENE J. CONNOLLY, CHARLES W. STULL, and MICHAEL E. BYRNE at the second residence after entering the property from the northwest.

These three individuals advised that they were the only occupants of the house and they identified themselves as STANLEY THOMAS BROKEN LEG, born 10/26/54, BERNADINE ROSE BROKEN LEG, born 6/17/48, GRACE M. KILLS PLENTY, born 2/14/28.

In the search of the residence a Winchester .22 Magnum rimfire, model 270 rifle, SN 804250, was located. Behind the KILLS PLENTY residence was a white Freight liner tractor which STANLEY THOMAS BROKEN LEG identified as being his. BROKEN LEG advised that he had purchased the tractor for cash at a price of \$10,000, but he did not know how to operate the vehicle and gave SA BODINE permission to examine the vehicle for its Vehicle Identification Number (VIN), which was determined to be CA213HP048558.

Each of the above-listed occupants were questioned concerning the identity of any Indians that had been residing in the immediate vicinity and they advised that other than normal residents there have been no strangers living in the houses or the accompanying woods. Each was shown picture of Bureau fugitives related to the RESMURS investigation and the only one that they were familiar with was DENNIS BANKS, but he did not reside in the area.

The following Investigation was conducted by  
SA JERRY L. EMMONS:

AT OKLAHOMA CITY, OKLAHOMA

On September 8, 1975, Mrs. J. D. GENTRY,  
1301 Linwood Drive, telephone 235-8297, furnished the  
following information concerning her nephew, THEODORE  
LEON HICKS:

She received a telephone call from her  
nephew on September 3, 1975, in which he indicated he  
was in Phoenix, Arizona and was hitchhiking.  
He indicated that he might either come to Oklahoma City or  
visit her daughter, KAREN BOWMAN in Sonora, Texas in the  
next few days. He called back the next day and at that time  
did not advise her from where he was calling, but  
wanted the address of her brother JAMES SAYERS in Osseo,  
Minnesota, and also requested the phone number of MARY  
JEAN BANCROFT, her sister in Poulsbo, Washington. At  
that time he did not further indicate that he was  
coming to Oklahoma in the near future, but stated that  
he might go to Minnesota to search for work.

The last time she saw him was during the week  
of June 15, 1975 when he, her daughter KAREN, and KAREN's  
husband, ROY, spent the week with them in Oklahoma City.  
She thought the three of them then went to Arkansas and  
after that to Arizona where KAREN and ROY took HICKS  
back to his home in Tuba City, Arizona.

She furnished the following names and addresses  
of relatives whom he might contact:

JAMES SAYERS, 25 6th Avenue, N.E., Osseo,

The number and letter code following the inventory number relates to that particular purchase. The first number gives the number of boxes of ammunition purchased. The letter following is a pricing series, A is highest, B is mid range, C is lowest. The next number gives the month of purchase (1/12). The next letter gives the year, in this case the letter N is 1974.

Coast-to-Coast National Headquarters, Minneapolis, Minnesota, has been contacted on numerous occasions regarding the search of all inventory receipts regarding these purchases and circular letters to all Coast-to-Coast Stores. It was decided that searching purchase records for a inventory , number would be nearly impossible to do due to the volume of records maintained for any particular month. It was also their feeling that a circular letter mailed to store managers in their weekly mailings would possible be ignored or not even looked at by the store managers.

Coast-to-Coast stores maintain a copy of ammunition purchases for approximately one year.

All Resident Agents are requested to contact all Coast-to-Coast Stores within their territory in an attempt to identify the purchaser of the above ammunition.

Re memorandum to SAC, 9/4/75 (serial 2282).

Investigation of this matter within the Aberdeen Resident Agency revealed that the pricing number in the code of Coast-to-Coast Store, that is, 2B10N, would indicate a pricing zone as well as a price. The letter B indicates that the store is west of the Missouri River while the letter A in the pricing code depicts a store that is closer to the main warehouse at Minneapolis. It would indicate therefore, that in connection with the leads set forth in referenced memorandum, that these shells which we are attempting to identify came from two different stores as the stores themselves are designated as either a A Store or a B Store, depending upon their location. The only exception to this is the store at Mobridge, which is an A Store for most items; however, it is a B Store for ammunition. The purpose of this is to make that store competitive with the one nearby and west of the Missouri River at McLaughlin, South Dakota.

The above is submitted for information and assistance in the covering of the leads set forth in serial 2282.

The following investigation was conducted by SA  
JOHN J. MARKEY, on July 30, 1975.

At Neenah, Wisconsin:

LEONE JAMES. 125 E. Peckham Street, Neenah, Wisconsin  
was recontacted at her home, and she advised that she has not  
developed any information concerning her son, ALBERT "PAT" PETERS,  
since last contacted by the FBI.

Mrs. JAMES advised that she traveled to Keshena,  
Wisconsin, approximately 2 1/2 weeks ago, for the purpose of  
recovering her 1965 blue Mercury from NEIL HAWPETOSS, who resides  
at Bear Trap Falls, Menominee Indian Reservation.

Mrs. JAMES asked HAWPETOSS if he had any knowledge of  
her son's whereabouts, and HAWPETOSS stated that PETERS is  
probably located where HAWPETOSS dropped him off in late June,  
1975.

HAWPETOSS indicated that PETERS was dropped off  
outside of the State of Wisconsin, however, HAWPETOSS would not  
advise JAMES of PETERS' location.

While JAMES was talking to HAWPETOSS, she noticed  
several teenage Indian boys at the HAWPETOSS home, and she believes  
that two of the boys may also be runaways from various boy's  
schools throughout the State of Wisconsin.

JAMES identified one of the boys as (FNU) KAKWITCH, and  
the other boy as a HAROLD DICK.

JAMES stated that she got her blue 1965 Mercury from  
HAWPETOSS, and immediately drove it to Berry Lake, Wisconsin, and  
sold the car for junk to Mr. LEE QUACT, for  
\$35.00.

Mrs. JAMES further advised that her mother, ROSE  
WILBER, and her sister, CECILIA WAUPOOSE are currently staying with  
Mrs. JAMES at 125 E. Peckham Street, Neenah.

The following investigation was conducted by SA  
JOHN J. MARKEY, on July 30, 1975.

At Neenah, Wisconsin:

LEONE JAMES. 125 E. Peckham Street, Neenah, Wisconsin  
was recontacted at her home, and she advised that she has not  
developed any information concerning her son, ALBERT "PAT" PETERS,  
since last contacted by the FBI.

Mrs. JAMES advised that she traveled to Keshena,  
Wisconsin, approximately 2 1/2 weeks ago, for the purpose of  
recovering her 1965 blue Mercury from NEIL HAWPETOSS, who resides  
at Bear Trap Falls, Menominee Indian Reservation.

Mrs. JAMES asked HAWPETOSS if he had any knowledge of  
her son's whereabouts, and HAWPETOSS stated that PETERS is  
probably located where HAWPETOSS dropped him off in late June,  
1975.

HAWPETOSS indicated that PETERS was dropped off  
outside of the State of Wisconsin, however, HAWPETOSS would not  
advise JAMES of PETERS' location.

While JAMES was talking to HAWPETOSS, she noticed  
several teenage Indian boys at the HAWPETOSS home, and she believes  
that two of the boys may also be runaways from various boy's  
schools throughout the State of Wisconsin.

JAMES identified one of the boys as (FNU) KAKWITCH, and  
the other boy as a HAROLD DICK.

JAMES stated that she got her blue 1965 Mercury from  
HAWPETOSS, and immediately drove it to Berry Lake, Wisconsin, and  
sold the car for junk to Mr. LEE QUACT, for  
\$35.00.

Mrs. JAMES further advised that her mother, ROSE  
WILBER, and her sister, CECILIA WAUPOOSE are currently staying with  
Mrs. JAMES at 125 E. Peckham Street, Neenah.
